### **Tuesday- 4/21**

		<b>Insertion of Characters not listed in scenes</b>
6:30- 10:30	All Called	Work through show from beginning to end

This is the night we will work through the play and decide when characters will be used as "Local Color" although not listed officially in the scene. I will need everyone in attendance for the duration so bring homework and other things to keep you occupied as we work through this necessary exercise and be ready to note your entrances and exits so we can do them again at the run-through. I hope we can set each scene in order and then go back and run through very quickly to set the order and you will know what scenes you are in. Patience will be required for this to go efficiently.

### **Wednesday- 4/22**
